From the Principal's Desk

Dear Parents,

The complexity of education was very evident to me as I listened to a recent talk show debate on the subject. Our task is difficult at best. I discuss it with you every time the opportunity presents itself. I cannot stress to you enough how important your role is in your child's success. Now that report cards have been distributed, I hope you have returned your Parent Progress Report. I also hope you have "Debriefed" the grades with your child. Serious conversations should revolve around progress, and what can be done differently to improve and ensure personal best. We do not know the future we are preparing our students for. Thus, we need to do our best to educate them as Problem Solvers, thinkers, communicators, as well as responsible and moral beings.

Remember, we are partners; alone we can only get half the job done. Together we have a chance.

Have a good week.

COUNSELOR'S CORNER

FAMILY ENRICHMENT-PARENT SUPPORT SAVE THE DATES

We are pleased to let you know that we are offering a five-session Parent Support/Family Enrichment series here at Silver Ridge Elementary. The series will be presented by the **Memorial Health Care System Community Youth Services Department**. Presentations and discussions will focus on Family Boundaries, Family Bonds, Family Meetings, and Expectations and Roles within the family setting. However, family topics that are currently of interest to the participants will also be addressed as the series moves forward. Presentations will take place from 6:30 pm-8:00 pm here at Silver Ridge on the following five Monday evenings: January 11 and 25, February 8 and 22, and March 1, 2010. The series is free of charge. Although it is more beneficial to attend all 5 sessions as they build upon one another, it is not necessary to do so. Registration flyers will go home before the December break, so please be on the lookout. In the meantime, if you are looking for some new ideas on strengthening your parenting skills and family ties, don't forget to Save the Dates!

Food Drive

It is once again time for our annual food drive. This year, Silver Ridge will be donating the food to the Harvest Drive, which will benefit needy families in Davie. Now more than ever our community needs our help! Please bring in nonperishable food items to help support this important cause. The last day to turn in food is November 23rd. Thank you for your support!

Magnet Program Showcase

Broward County Public Schools will host **Showcase 2010** on Wednesday, December 2, 2009 from 5:00pm-9:00pm at the Greater Fort Lauderdale Broward County Convention Center. This is a wonderful opportunity for parents and students to gain an up-close, personal overview of all the educational opportunities available through **Magnet Programs**. For more information, please call 754-321-2380 or visit www.browardschoolsmagnetprograms.com.
